\* Party hours: Total hours for separate groups. For example, if your party is in the field for 8 hours, but splits into two groups for 3 of those hours, you must report 11 party hours (8+3 hours) .

The following species have been reported from the count circle but are rare in the area. If there is an asterisk before the name, or if you see a bird not on either list, you must include full documentation, or it may not be counted.
