

**GRUPO ORGÁNICO DE AGRICULTORES CERROPUNTEÑOS
GORACE**

ALLIED CONSUMERS PROGRAM

Located in the district of Cerro Punta, GORACE is an organization of certified organic farmers who have been dedicated to the production, sales, and training of organic farming for the past 9 years.

Taking into account the growing need that we all have to consume produce free from chemical contamination, to conserve our rich environment, and as a simple way to acquire produce at a fair price without intermediaries, GORACE is offering the excellent opportunity, to people of our local community and surrounding areas, to unite in strengthening the organic movement in Panamá by becoming a **CONSUMER OF ORGANIC PRODUCTS**.

Incentives:

1. Central delivery of products at a specific time and place.
2. Access to any product available on the inventory list distributed monthly.
3. Fixed prices without variation.
4. Participation in workdays or visits to farms (previous coordination).
5. Participation in training sessions when the organization is managing a project.

Requirements:

1. Make a biannual prepayment, at a minimum of \$40.00, which will be returned in full in the form of produce, by March 1, 2007. Prepay will be arranged individually.
2. Pay transportation costs when necessary to ship products.
3. Pay subsequent orders when the account has passed the biannual prepay. In the case of a remaining balance at the end of 6 months, the balance will carry over the the next semester.
